Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Colorado Coalition for the Homeless's Stout Street Recuperative Care and Legacy Lofts Project in fiscal year 2022.

The entity to receive funding for this project is located at 2111 Champa Street, Denver, CO 80205.

The funding would be used to benefit residents of the First Congressional District by reducing homelessness, leveraging 98 units of permanent supportive housing, improving the health status of homeless individuals, and reducing the avoidable emergency health care costs to the District's taxpayers and health systems.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Diana DeGette  
Member of Congress
